

# Bureau of Overseas Buildings Operations Civil Service Careers and Personal Services Contractor Opportunities

Join Our  
Talent Network

The U.S. Department of State, Bureau of Overseas Buildings Operations (OBO) is the single real manager for U.S. governmental diplomatic and consular property overseas and sets worldwide priorities for the planning, acquisition, design, construction, operations, maintenance, and disposal of overseas property. Our secure, functional, and resilient facilities enable U.S. foreign policy through building technologies, sustainability, art, and culture.

With your diverse educational and cultural background and exceptional analytical and problem-solving skills, you can contribute to building, managing, and operating some of the most complex buildings in the world. OBO has full-time, Arlington, VA-based opportunities in the following areas and many more:

- **Management/Program/Data Analysts (0343):** ensure OBO programs, operations, and processes deliver intended results.
- **General Engineers (0801):** advise on, administer, supervise, or perform professional, scientific, or technical work concerned with engineering or architectural projects, facilities, structures, or systems
- **Architects (0808):** manage, supervise, lead, or perform professional architecture work involving the art and science of conceptualizing, planning, developing, and implementing designs to ensure buildings and structures are responsive to human activities and needs; structurally sound and permanent facilities.
- **Electrical Engineers (0850):** Prepare electrical design drawings, calculations, and specifications to accompany design models.
- **Data Scientists (1560):** identify the methods, processes, algorithms, tools, and systems to extract and interpret findings from varied structured and unstructured data sets.
- **Interior Designers (1008):** perform, supervise, or manage work related to the design of interior environments in order to promote employee productivity, health, and welfare, and/or the health and welfare of the public.
